New! Video Inspections

What our satisfied customers are saying

“Thank you for the excellent inspection report and the additional information. You sure did a terrific job on the inspection! We will use your services again when we need them and surely recommend you to others.”

Charles & Sylvia

“The inspectors and their report were very thorough. We found them to be polite and excellent communicators. As ongoing consultants they have even worked with us after the fact.”

Mike and Ellen Avratin
Libby, MT

“We loved how you shared your knowledge. Working with you was thorough and enjoyable. Your skills were impressive to say the least. We are so happy we chose BJCC Inspections and will recommend you!”

Steven & Julie Hughes
Eureka, MT

“As a first time homebuyer, and buying a 60-year old house, I needed to have a home inspector who is honest and reliable. BJCC Inspections was on time, knowledgeable, patient, and able to answer all of my questions. I highly recommend BJCC Inspections!”

Juanita Jock
Kalispell, MT

Luxury Home Inspections

"You get what you pay for."

Having no vested interest or emotional attachment to the real estate we are able to accurately report the nuances of your chosen property.

When meticulously inspecting high-value properties we take into consideration your unique concerns including your likes, dislikes and expectations. Our Inspection professionals give you all the time necessary to comprehend your needs, requirements and desires.

Every project we work on is unique. We take the time necessary to perform a thorough visual examination of all accessible components.

We treat your property with the respect it deserves. BJCC

Why choose BJCC Inspections?

When you are looking for a professional, hire a professional. We have a vast network of experts that we consult with.

With thirty years of experience in all phases of residential and commercial construction, refurbishment of older properties, and knowledge of alternative energy, we are the best choice for the job!

We have an "uncommon commitment" to help you choose the property that is right for you. We live where you are buying your property. We are your neighbors. We are fast, reliable, and treat your home as if it were our own!

We inspect the property from top to bottom and from outside to inside.

New!

Video Inspections

Walk through the property with us. See through the eyes of the inspectors. This is a convenient and often entertaining way to experience your inspection.
